

This diagram illustrates the exploded view of a two-tier metal cart assembly. The components are identified by numbered callouts in circles:

- 1**: Screws for the top tier.
- 2**: Screws for the bottom tier.
- 3**: Screws for the side rails.
- 4**: Screws for the base plate.
- 5**: Screws for the casters.
- 6**: Casters.
- 7**: Screws for the casters.
