

An exploded view diagram of a book binding assembly. The components are labeled with callouts in circles, each divided horizontally. The top half of the circle contains a number, and the bottom half contains a fraction. The components are: 1 (top cover, 1/2), 2 (inner cover board, 2/1), 3 (spine board, 3/1), 4 (spine reinforcement, 4/4), 5 (back cover, 5/1), 6 (bottom cover, 6/1), 7 (clasp, 7/4), and 8 (clasp mechanism, 8/4). Arrows point from each callout to its corresponding part in the assembly.

[illegible]
